# EVERY CHILD MATTERS

## TSPH Digital

'TSPH Digital' is transforming student's performance in every possible way. Recorded video sessions, video solutions, practice session, performance info graphics and digital library are key features of our Digital App.

## Technology Aided Education

Incorporation of modern teaching tools like use of powerpoint & audio visuals make the sessions interactive & lively.

## Work Extraction & Doubt Solving

We ensure timely completion and honesty in homework.

At Hub, availability of professors make doubt solving instant and effective.

## Performance Monitoring

Students as well as Parents are given access to our online web portal/android app.

Using which attendance of student & their relative performance in class can be monitored.

## Library & Study Hall

To achieve best conceptual clarity; self study is must & to promote the same, we have diversified collection of reference books.

Dedicated classrooms for extra studies with seating space designed for comfortable studies for long hours.

## One on One Counselling

Parent -Student-teacher meetings are conducted on regular basis to discuss their performance of student & role of parent.

It gives insights of student's strengths & areas of improvement which motivates child positively.

## Study Material

Self designed, systematic & comprehensive study material is provided for boards & entrances.

Exhaustive numerical practice sheets, tutorials & challenge rounds are another features of it.

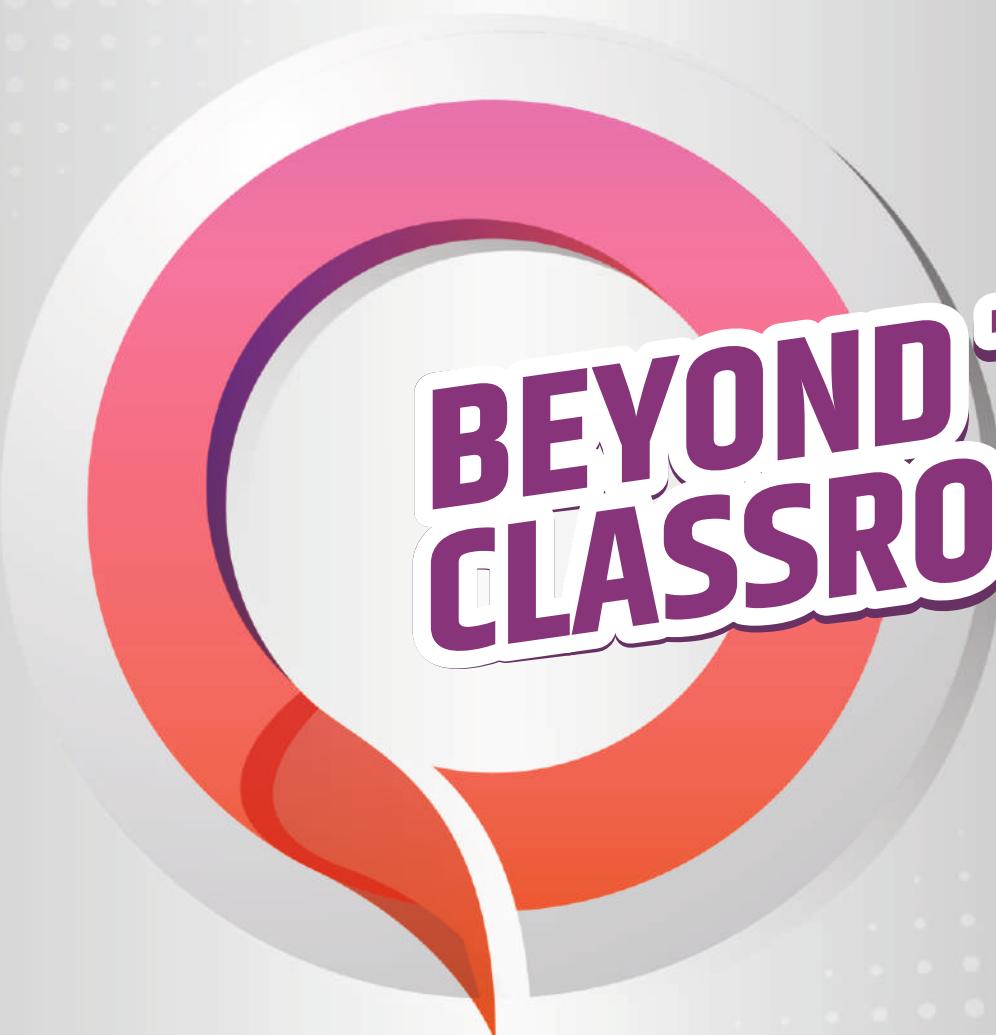

## Testing Programme

To ensure the relentless hardwork from students, we, at Hub have designed unique testing programme.

It includes chapterwise & combination tests for boards & competitive entrance examinations.

# BEYOND THE CLASSROOM
